SUMMER 2011

## SUMMER IS MADE FOR KIDS

Summer is a wonderful time to explore new things and expand learning through a variety of activities. The days stretch out in front of each child waiting to be filled with adventure, good friends, and just plain fun!

West Valley Middle School summer camps provide each child with the opportunity to fill their summer days with fun experiences and creative activities. A wide variety of interesting field trips, arts and cooking camps, academic review, sports camps, photography, Lego Robotics, spirit days, water sports, and skate days will provide each child with a memorable summer.

## FIELD TRIPS

A wide variety of age appropriate field trips have been planned to enhance your child's experience at Camp Tiki. Field trips will occasionally accrue an additional charge depending on location. Parents will receive announcements and permission slips throughout the summer. Some of the planned trips include:

**LASER TAG AT LASERQUEST, SAN FRANCISCO GIANTS GAME, ICE SKATING AT SHARK'S ICE, VALLEY FAIR, SWIM CENTER, ALCATRAZ FIELD TRIP, AMC MOVIE THEATRE, HALF MOON BAY, CAL ACADEMY OF SCIENCES, I-FLY SKYDIVING, TECH MUSEUM, HAKONE GARDENS, JAPANESE MARKET**

## MORNING ACADEMIC ADVENTURES & AFTERNOON ELECTIVE PROGRAM

Morning Academic Adventure includes a theme related, creative and interesting schedule of physical education, math, science, history, writing, and reading comprehension.

Afternoons at Camp Tiki are designed to give your child the opportunity to explore new horizons or expand on current interests. Weekly workshops cover a wide variety of interests including sports, music, cooking, exposure to new technology, dancing, and art. Additionally, campers enjoy weekly, recurring theme days such as water sports, spirit activities and fieldtrip days. These activities make the summer fly by!!

## WEEKLY THEMES

During our summer camps, we will have weekly themes for our campers to experience. The theme of the week correlates to the various art and craft projects, guest speakers, and field trips that we have planned. The weekly themes include:

**CAMP TIKI WEEK, SPORTS LEGENDS, WVMS GOES GLOBAL, MAXIMUM CREATIVE IMPACT, UNCOVERING MYSTERIES, AND WVMS OLYMPIANS**

## SPORTS CAMPS

### BASKETBALL CAMP WITH COACH AL GRIGSBY

JUNE 27 - 30

Monday - Thursday 9:45-11:00am • Fee: \$60.00

Cal Berkeley Bears legend, Al Grigsby, who also played in the Japanese Basketball League, will coach students on the fundamentals of basketball. Students will learn passing, dribbling, shooting and teamwork from one of the best athletes that graced the courts of Cal!

### VOLLEYBALL CAMP WITH COACH DARCI GRUENBERG

AUGUST 8 - 11

Monday - Thursday 1:00-2:30pm • Fee: \$40.00

Don't miss this opportunity to learn from Action Day Primary Plus' very own Athletic Director, Darcy Gruenberg, who will coach students on the fundamentals of volleyball. Students will learn setting, blocking, digging, passing and serving. She will focus both on skills and team play.

## DANCE CAMPS

### AMERICAN IDOL

SESSION I: JULY 5 - 29

Times and Fees to be announced

This four-week session will include Hip Hop, Jazz, Tap, and Acrobatics techniques. Dancers will select their favorite dance style and music to create a performance during the last class of our Summer Dance Cruise...hop on board...learn how to become the next American Idol!

### SESSION II: DANCING WITH THE STARS

SESSION 2: AUGUST 1 - 26

Times and Fees to be announced

This four-week session will include Lyrical Ballet, Broadway Dance, Hip Hop, and Jazz techniques. We will have a fun class learning about stage make-up and hair design, with a special guest Star appearance! Dancers will develop a talent show performance piece for our Summer Cruise Finale...Let's polish our Dancing Stars!

# MORNING ACADEMIC ADVENTURES CURRICULUM

*Academic Adventure is theme related curriculum taught by our dedicated team of highly qualified professionals, who will make the summer fun, interesting and educational!*

## CAMP TIKI SPIRIT WEEK

**JUNE 13 – 17**

Ready to kick off the summer right! Show your Camp Tiki spirit and join us for field and swimming competitions, a mall scavenger hunt, crazy competitions, dance contests, and more!

## SPORTS LEGENDS

**JUNE 20 – JULY 1**

The students will review biographies of sports and surfing legends and will create their own biographical legend! They will also learn about the science of motion and oceanography. Students will go to a SF Giants baseball game and voyage on over to Half Moon Bay to see where the Mavericks surf.

# AFTERNOON ENRICHMENT WORKSHOPS

## ART CAMPS

**SESSION 1: MURALS · JUNE 13 – 16**

**SESSION 2: MOSAICS · JUNE 27 – 30**

**SESSION 3: MEDIUM DISCOVERY · JULY 18 – 21**

**SESSION 4: CRAFTS · JULY 25 – 28**

**Monday – Thursday, 1:00–2:30pm**

*Material Fee Required.*

Calling all Picassos! Get in touch with your creative side this summer. Sketch, paint, and explore the world of art using a variety of different mediums. Create murals, mosaics and learn about art history at our comprehensive drawing and painting camps!

## CREATIVE COOKING CAMPS

**SESSION 1: COOKIE CAMP · JUNE 27 – 30**

**SESSION 2: TOP CHEF DESSERTS · JULY 11 – 14**

**SESSION 3: CUPCAKE WARS · AUGUST 8 – 11**

**Monday – Thursday, 3:00–4:30pm**

*Material Fee Required.*

Dream of being a Pastry Chef? Come join us and enjoy some culinary delights, as we explore the sweet world of desserts! We will measure, pour, mix, blend and bake, as we whip up some serious fun in the kitchen!

## YOUNG AUTHOR'S CAMP

**AUGUST 15 – 18**

**Monday – Thursday, 1:00–2:30pm**

Whether you dream of being a published author, writing poetry, fiction, adventures, essays, or short stories, improve your writing skills this summer with our Young Author's Camp! Students will be guided in organizing their thoughts, creating structure, honing their grammar skills, and executing their writing. By camp's end, writers will have a better understanding of the editing and revising process and will have many tales to tell!

## WVMS GOES GLOBAL

**JULY 5 – 14**

Students will discover their global impact on our society. Students will learn about sustainability, and how to reduce their carbon footprint, while also learning about how their economic choices affect our international neighbors. Stretch yourself to the limit at WVMS, Go Global! We will also experience simulated Skydiving at I-FLY, and visit Hakone Gardens in Saratoga!

## MAXIMUM CREATIVE IMPACT!

**JULY 18 – 29**

The students will create their own plays, participating in lyricist competitions, and public speaking challenges. Students will compete in their own Academic Game Shows—testing their knowledge and solving problems against other teams. During this session, we will journey over to Alcatraz in San Francisco, and also go to the AMC Theatres.

## HIGH SCHOOL PREP WORKSHOP

**AUGUST 15 – 18**

**Monday – Thursday, 3:00–4:30pm**

*Material Fee Required.*

Interested in attending a private high school? Then this is a workshop you won't want to miss! Learn test taking skills, application, and essay writing preparation, and gain a comprehensive understanding of high school program offerings with this intensive one-week workshop.

## SCIENCE ADVENTURE CAMPS

**SESSION 1: EXPLORING LIFE SCIENCES**

**JULY 11 – 14**

**Monday – Thursday, 1:00–2:30pm**

**SESSION 2: ROCKET CAMP · JULY 18 – 21**

**Monday – Thursday, 3:00–4:30pm**

*Material Fee Required.*

Come discover the mad scientist in you! Shake things up with us as we explore and investigate the world around us. Don't miss it as students compete in a bottle rocket contest, discover delicious edible science creations, and uncover some earth shaking discoveries. Science Adventure camp is sure to be an explosion of fun!

## MATHLETICS CAMPS

**SESSION 1: PRE-ALGEBRA REVIEW · JUNE 13 – 16**

**Monday – Thursday, 3:00–4:30pm**

**SESSION 2: FRACTION FUN · JULY 25 – 28**

**Monday – Thursday, 3:00–4:30pm**

**SESSION 3: COMPUTATION CAMP**

**AUGUST 8 – 11**

**Monday – Thursday, 1:00–12:30pm**

Is math your puzzle? Whether it is pre-algebra, fractions, multiplication, or arithmetic, we will exercise our mathematical minds, hone our math skills, and improve our results, all while having fun with Mathletics!

## UNCOVERING MYSTERIES

**AUGUST 1 – 12**

The students will learn about the world of mystery within the academic sphere. In math, students will review pre-algebra skills. In Language Arts, students will read and understand the anatomy of the mystery, and then write their own! Students will also participate in fun science labs! To top off our session, our Mad Scientists will go to the California Academy of Science, the Tech Museum, and Laser Tag.

## WVMS OLYMPIANS

**AUGUST 15 – 26**

We will learn about the Ancient Olympics and the five Ancient Greek City States. At the end of our session, we will compete in the West Valley Olympics! Olympians will compete in relays on wheels, obstacle course challenges, hula hoop competitions, an introduction to gymnastics, plus swimming races. A winner will be selected from each division and honored at our closing ceremonies!

## INTRO TO MIDDLE SCHOOL

**AUGUST 15 – 26**

Incoming 5th graders will be introduced and learn about WVMS throughout this session. They will participate in a school scavenger hunt, meet the teachers, and make many new friends!

## DIGITAL PHOTOGRAPHY CAMPS

**SESSION 1: JUNE 20 – 22**

**SESSION 2: JULY 5 – 7**

**SESSION 3: AUGUST 1 – 4**

**Monday – Thursday, 3:00–4:30pm**

*Material Fee Required.*

Calling all Paparazzi...you don't want to miss this shot! In this camp, students will explore the basic principles of digital photography and learn the artistic decisions involved when taking a picture. At the end of the week, students will have their own digital photo album to take home.

## INTRODUCTION TO LEGO

### ROBOTICS

**SESSION 1: JUNE 20 – 22**

**Monday – Wednesday, 1:00–2:30pm**

**SESSION 2: JULY 5 – 7**

**Tuesday – Thursday, 1:00–2:30pm**

**SESSION 3: AUGUST 1 – 4**

**Monday, Tuesday, Thursday, 1:00–2:30pm**

*Material Fee Required.*

Take your creative skills to the next level as you learn to program robots through Lego Robotics. At this popular programming camp, you will gain valuable experience and higher level thinking skills, as you build and create your robots. You will also get the edge on next year's competition!
