

The Action Day Primary Plus School of Dance is pleased to announce our new Dance Team...

W E S T V A L L E Y Dance Cats

We invite all eligible dancers to take part in this very special 2010/2011 inaugural season! Team dancers will be comprised of 3rd – 8th graders. There will be many exciting performances and events that the West Valley Dance Cats will experience during the year including — local holiday parades, ADPP events, Santana Row events, dance conventions, and a variety of professional dance shows.

We are also pleased to announce that team members will have the opportunity to perform in the Disneyland Holiday parade on December 11, 2010. What better way to showcase our dancers, than to see them dance down Main Street all dressed up for the holidays!

Our veteran and very talented dance teachers, Ms. Wendy and Ms. Shannon will be the Team Coaches. They come to the ADPP School of Dance with decades of dance experience and competition background. They both are very excited and honored to embark on this exciting dance year!
