

EMERGENCY INFORMATION

Dear Parents,

Our schools underwent safety checks after the earthquake in October 1989. We also have been in touch with the Civil Defense and Red Cross in Santa Clara County. Many parents have asked where the children would be evacuated to in the event of a large quake.

It is a Red Cross Policy to keep the schools open, the Red Cross will come to the schools and tell us where the children will be evacuated to, if necessary. They would use the nearest High School or Junior High School. There would be a notice posted on our school's door by the Red Cross as to the place of evacuation.

All of our schools are equipped with transistor radios and flashlights and are checked monthly for good batteries. After the shaking, we will not use the telephone except to report medical or fire emergencies.

Our staff is instructed to stay with the students until the parents/guardians are able to pick them up. We will follow regular sign-out procedures.

We are asking parents/guardians to designate one family/friend member that would be able to pick up your child on foot if roads were closed. Please complete the bottom portion of this form.

I (parent/guardian name) _____

Designate (first & last name) _____

to pick up (child's full name) _____ on foot

in an emergency.

Parent/Guardian Signature: _____

Today's Date: _____
