# Classroom News

**Room E** will finger paint with green and bright springy colors. We will talk about our feelings: happy, sad, angry, tired and just plain grumpy. Keep an eye out for our flowers and bugs from our Action Day Baby Garden.

**Room F** will celebrate St. Patrick's Day by bringing in green as their color of the month. We will paint with it as well as talk about green during our daily outside time. We will continue to work on sharing toys with our friends.

**Room G** will talk about how special each of us are. We will talk about feelings such as, happy, sad, mad, and silly. During the month we will work on recognizing colors as well. The words we will work on signing are, green, happy, silly, sad, red, and blue.

**Room H** will talk about why babies are very special. At circle time we will talk about colors and counting from 1 to 5. For St Patrick's, we will work on a special project learning about shamrocks.

**Room I** will do lots of art with the color green. We will use different materials such as brushes, dot paint, and finger painting for St. Patrick's Day art. During circle time we will bring out the different colors to work on color recognition.
