Reminders

- Share Day** is every Friday! You may bring an item from home for the class to enjoy.
- Dance tickets go on sale online on March 6th at 10:00 am.** Watch for flyers with more information.
- There is still time to sign up for dance classes. Check in the office for more information.
- Our driveway is our emergency exit. Please keep this area clear at all times.

April Dates to Remember

- Egg Hunt . . . 2nd
- Pre-K Recycling Center Field Trip . . . 21st
- Spring Break for Jr. K . . . 12th – 16th
- Open House . . . 24th

CLASSROOM NEWS

Room 1 . . . 3 Years We are looking forward to learning more about Irish culture in honor of St. Patrick's Day. We will be reading a lot of Dr. Suess books and emphasizing the importance of reading. Don't forget to ask your child about the books read during circle time. Story time provokes lots of discussion and contemplation fostering their intellectual development.

Room 2 . . . Toddlers This month we will be reading Dr. Suess books. To celebrate St. Patrick's Day the children will talk about Leprechauns and all the funny tricks they play and explore the color green. Towards the end of the month we will focus on bunnies and baskets as we get ready for our next fun-filled holiday and celebrate with our egg hunt! As always, we will continue with our letter recognition as well as shapes and colors. Keep your eyes out for all of our fun art projects surrounding special holidays.

Room 3 . . . 2 – 3 Years We are so excited to be celebrating Dr. Suess' birthday. Please feel free to bring in your favorite Dr. Suess book to share with the class. We will be keeping our eyes out for the little feet of Leprechauns and their pots of gold at the end of rainbows. The children will also be decorating bags for our egg hunt. We will continue working on letter and number recognition as well as our potty training (some of you are so close!).

Room 4 . . . Pre-K A job well done to all our parents for participating in the "Home Project" for Valentine's and a big thank you for the special treats and cards! We are kicking off this month with Dr. Suess and Read Across America. If you have a kite or toy sail boat at home feel free to bring them in during Kites and Sail Boats week. Don't be surprised if you see little leprechaun footprints in our classroom. The children are looking forward to making fun baskets for our egg hunt.

Junior K . . . We would like to thank all the parents who made February a great month! We had a wonderful time celebrating Valentine's Day with yummy treats for our party. This month we will be doing projects and reading books related to Dr. Suess, spring weather and, of course, the luck of the Irish. The children will learn about Irish culture, food, music and much more. The Leprechauns usually visit during March and we will try to catch them with our trap.
