Classroom News

Two's – Circle Time help with language development. Every day we are singing songs, telling stories and every child has the opportunity to talk to the group. This is building confidence and public speaking skills.

Three's – Welcome to Preschool. Every day we have art, science and lots of hands on fun. Watch for several group art projects this month as we build new friendships!

Pre K – We will start off the academic school year with a letter of the week. Each letter will have a work sheet and a Circle Time activity that correspond with the letter. Our first field trip will be to Almaden Lake on September 23. Save the date if you are interested in chaperoning. Also, Homework folders will start going home in the middle of the month. Homework is a fun project that parents and children can work on together!

Junior Kindergarten – Welcome to Jrk! We are excited to have three rooms this year! All rooms will stay open until 5:30 and the closing Junior K room will be Room 5 from 5:30 to 6. Please remember Circle starts at 8:30, so please come early if your child needs a little longer to say goodbye! Please check your parent pocket regularly, watch for homework, notes and permission slips. Junior Kindergartens' first field trip will be to Pizza My Heart!

School – age – Lots of changes for school age this year! Please watch for the new class schedule. We are starting homework every day; please let Ms. Jenny or Ms. Sandra know what homework your child should be completing.
