Action Day Primary Plus
September 2010

Welcome everyone! We look forward to a wonderful year together. Here are a few reminders.

- Please remember that our academic day begins at 8:30 and ends at 2:40.
- Classroom websites have been set up for all our classes. Information on our grade level curriculum, daily schedule and units of study are all listed there. Be sure to visit us at www.teacherweb.com for a complete listing of information. Click on: "Find your teacher"
- New additions this year: Mrs. Alexis Giusti will be teaching our computer classes in the morning and will teach Fourth Grade in the afternoon in room #13. Mrs. Michelle O'Hara will be teaching third grade in Room #16. Mrs. Paula Elizondo will be teaching Second Grade in Room #5. And, in First Grade Mrs. Karlee Lahue and Mrs. Sarah McNish will be teaching in rooms #3 and #4. Please join us in welcoming them to our "family".
- Our Parent Teacher handbooks will be distributed during the first week of school. Please review the handbook with your students, sign and return the information sheet stating that you have done so.
- T-shirt order forms for our field trips were sent home over the summer. Reminders will be sent home to everyone who has not completed their form. Students are expected to wear field trip t-shirts on any upcoming field trips for ease in identification. We also would like our students to wear their t-shirt for our panoramic picture in May.
- This year we will begin the year with a "School Walk-a-thon". Funds will go directly to your child's classroom. Please help and come join the fun! Volunteers will be needed!
