## Get to Know . . . WEST VALLEY COMMUNITY CLUB – WVCC

All currently enrolled parents and staff members are encouraged to take part in the West Valley Community Club. Meetings will take place monthly. Your participation in these activities is a great way to meet other parents involved in your children's school and a wonderful way for you to influence what is happening at West Valley.

The purpose of the Community Club is to actively support the needs of the children and teachers at the Middle School. This is accomplished through your participation. West Valley Middle School goals are realized with the help of supportive staff, teachers, and the many hours donated by parent volunteers. A parent volunteer has an opportunity to get involved and offer as much time as he/she may desire. If you have an hour a month or a week, there is a job for you; if you have an hour a day, there is a job for you! When we work together, giving what we can, we make a great impact on our students and our school. Please give volunteering some thought early in the year. We need people all year long, and you will be truly appreciated for whatever time you can share. **Just contact the office if you are interested.**
