- 13 – 17 Be My Valentine
- 20 – 24 Discovering our Senses
- 27 – 2 Imagine That

## Classroom News

### Reminders

- Parent's Night Out is on Saturday, February 11<sup>th</sup>! Let us help you celebrate Valentine's Day early! We have planned a fun filled evening for your little Valentines while you have a night out on the town. Sign up early.
- Great job Junior K teachers and children! They organized and lead our Chinese New Year Parade and it was great fun for all! We were so glad to see all the parents that came to watch!
- It's a New Year, but the same parking lot rules apply. Please make sure you are following them to keep everyone safe!
- While some children really love dogs, others are afraid. We want everyone to feel comfortable when they come to school, so please help us keep our school a dog free zone!
- We are closed on Monday, Feb. 20<sup>th</sup> for President's Day.

### Upcoming March Events

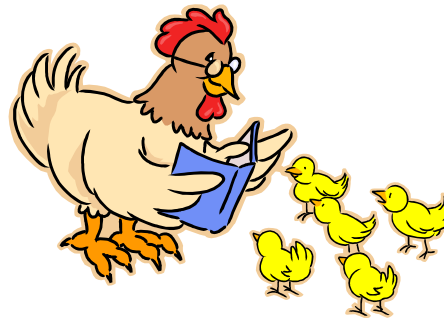

- 2<sup>nd</sup> Dr. Suess Birthday
- 16<sup>th</sup> St. Patrick's Day
- March 30<sup>th</sup> is our Spring Fling from 6:00 – 7:30! Bring your whole family for a fun filled event!

**Rooms 1 & 7** Our babies are growing and moving so fast! The teachers encourage this growth by providing each baby with the opportunity to crawl to new toys, pull themselves up safely and lots of tummy time!

**Room 8** Five signs that your baby is teething are: bulging gums, fussing, frequent waking, excessive drooling, biting anything and everything! We will help all of our babies through teething by comforting them and offering teething toys from the ice box. Most medical professionals believe high fever, cough and other cold symptoms are not caused by teething.

**Rooms 2 & K3** Our favorite part of the day is when we have story time. Ms. Michelle and Ms. Rosa are great story tellers. We like them to read our favorites over and over! Each of us makes special requests! This has really helped our language development and will help us to be avid readers when we get older.
