Classroom News

Two's We will be very busy going on a safari hunt! We hope to see lions, giraffes, hippos and zebras. February is friendship month and we love playing and dancing with all of our friends. We will be having a friendship party on Tuesday, February 14th! Look for sign-up sheets in the classroom!

Reminders

- Parent's Night Out is on Saturday, February 11th! Let us help you celebrate Valentine's Day early! We have planned a fun filled evening for your little Valentines while you have a night out on the town. Sign up early.
- Great job Junior K teachers and children! They organized and lead our Chinese New Year Parade and it was great fun for all! We were so glad to see all the parents that came to watch!
- It's a New Year, but the same parking lot rules apply. Please make sure you are following them to keep everyone safe!
- While some children really love dogs, others are afraid. We want everyone to feel comfortable when they come to school, so please help us keep our school a dog free zone!
- We are closed on Monday, Feb. 20th for President's Day.

Three's Be My Valentine! This month we will focus on friendship, being kind, and saying please and thank you! We will also discover all about Africa and animals we find there and explore the water and sand in the sensory table. We will conduct different experiments as we discover about senses and our imagination will go wild during the last week of the month. Our Valentine's Day party will be on February 14th! Watch for more information!

Pre K Love is in the air! This month we will celebrate Valentine's Day with a Friendship Brunch on Tuesday, February 14th. We will travel through the African safari, use our five senses to do scientific experiments and use our imaginations to create some unique things. Please keep a lookout for field trip info in your child's class and remember chaperones are always welcome!

Junior Kindergarten Counting to 100 will be our new challenge as well as working on recognizing numbers 21 – 23. We are up to letters U, V, W and X as we finish up our alphabet. We will also start pre-reading with word families this month. February will be a fun month full of love and friendships.

School Age We are having a fun filled New Year! Our room makeover is coming along nicely and our group games are bringing us together. We will be planning cooking projects twice a month so keep your eyes open for sign ups.

Happy Birthday
