Classroom News

Reminders

- If your child has outgrown their clothing and you're interested in donating pants or bottoms, please consider our school. All donations are greatly appreciated.
- Insurance is now due; every child enrolled in our program is billed this annual fee.
- We are closed on Monday, Feb. 20th for President's Day.

Room E (Babies) Roses are Red, Violets are Blue, you're a great parent and your baby loves you! We will be celebrating our love for the month of February with a lot of heart filled tokens of our appreciation. The babies will also practice waving "hello" and "good-bye". Room E would also like to welcome our newest additions: Deegan, Elizabeth, Sabrina, and Will.

Room F (Crawlers) The month of February will be very sweet, for the week of the 6th, we will be making lots of treats. Valentines and love are in the air and all our art projects will be made with lots of care. February 13th will be the start of Opposites Week. We'll be talking about our hands and feet. We love to make music! That's why the 20th is grand; it will be time to "Strike up the Band." During the week of the 27th, we will be reading Dr. Seuss, who helps us rhyme with loose, goose, and moose. A warm welcome to Paisley for joining us in Room F, she'll have so much fun, and that you can bet!!!

Room G (Two's) During February, we will be very busy with a lot of activities. The children will make fancy Valentine frames to take home. A Valentine bag will be decorated by each child. Room G will talk about Opposites during circle and art time. During "Strike up the Band" week, it will be exciting to march with musical instruments around the classroom. For the last week, there will be a lot of Dr. Seuss books to read. We would also like to welcome Lillian to our program.

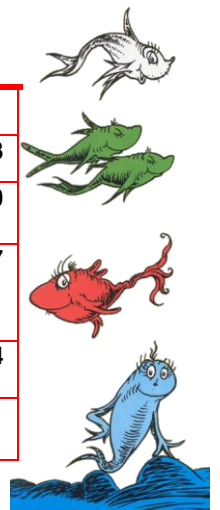

Room H (Early Walkers) The children will make special Valentine cards for their parents. Circle Time activities will include talking about friendship, reading books about Dr. Seuss and Opposites. The fun will continue on the playground with dancing to music.

Room I (Walkers) For the month of February, we'll be having a wonderful time. Let's start by giving "Treats to my Sweet" Valentines. The children will have the opportunity to pass along cards and other treats. Continuing with the excitement, we'll discuss Opposites and "Striking Up the Band"; how fun! The month will end by celebrating the one and only Dr. Seuss!
