Room A: We have two important celebrations in February, President's Day and Valentine's Day. February is a time to pay tribute to America's famous leaders as well as giving big HUGS and treats to our valentines. The first week in February we will be Mixing and Matching. We'll have fun scrambling different colors, shapes and animals. We will be learning a variety of things to help us learn association. Our second week will be focused on Opposites. They say opposites attract much like a magnet, perfect for Valentine's Day. Our third week we will focus on special treats that warm our hearts. For our fourth week we will celebrate our presidents by Striking up a Band and having a parade, a tribute to our famous leaders. *Miss. Kathy, Miss. Lee & Miss. Pamela*

Room B: This month we will be doing fun and exciting activities. We will be Mixing and Matching, learning about Opposites, making Valentine's Day cards and learning and making music. Please make sure your child has warm clothes and shoes in their cubbies. Have a great month and stay warm!! *Miss Nicole & Miss Rosie*

Room C: Love is in the air this month. The children will be Mixing and Matching. We will have fun learning about Opposites and have a great time with "Treats for my Sweets." We will party like **Rock Stars** during "Strike up the Band" week. We are off to a great new year filled with learning, exploring and lots of fun. *Miss Katrina & Miss Raven*

Room D: Welcome to the second month of the year!! Room D is very excited for this month since we will be celebrating Valentine's Day with lots of fun activities. We will be working on letters P,Q,R and the numbers 10 and 11. It's all about "Mixing and Matching", "Treats for my Sweets", "Opposites", and "Strike up the Band" in Room D. *Miss Francis & Miss. Laura*

There is a shape; it stands for love,
And "heart" is its name.
