Classroom News

Room A We have lots of fun Valentine's Day activities planned for this month. We will read stories about Valentine's Day and make some fun art projects to decorate our classroom. We are thrilled that so many of our friends have begun to crawl. Dylan, Jake and Alexis are crawling around the room and will begin visiting room B soon. Alex, Clara and Sabrina are scooting around and we anticipate they will be joining the crawlers very soon. Natalie loves sitting up! Jake and Dylan have learned to feed themselves finger foods. So many great milestones are being reached each day!

Rooms B We greatly miss all of our friends that moved up to Room C but we know they are enjoying their new room. Valentine's Day is an exciting day this month! We look forward to making arts and crafts using red and pink paint. We will talk about colors and enjoy finger painting hearts. We have some great books to read about Valentine's Day and we can't wait to send home a special project we will make to show our mommies and daddies how much we love them. We also can't wait to read some fun Dr. Seuss books and to enjoy playing with musical instruments during "Music Fun" week.

Room C We would like to give a warm welcome to Kaia, Noah, Bella, Hanna, Elle, and Tarynn who have joined us from room B; as well as our new friend Jack! We have been having so much fun with all of our new friends. We will miss Kai, Alana, Dennis and Aubrey as they move on to Room 1. Expect lots of glitter and hearts this month! Our class is looking forward to making lots of Valentine's Day art and something very special for our Mommies & Daddies. Our friends will have a great time during music week, making instruments and exploring sounds. We have been very impressed by the expanding vocabularies of our friends lately. All of our friends are doing well with counting from 1 to 10.
