

July 7, 2009

Dear Families of WVMS,

While you are enjoying a fun and relaxing summer, the staff at West Valley Middle School has been working hard to prepare for the 2009-2010 school year. We are looking forward to welcoming you to another exciting year!

On Thursday August 27th, we will be having an Orientation and Back to School night for all students and their parents from 6:00 – 7:30pm. We will be distributing student schedules, introducing staff members, demonstrating curriculum information and assigning lockers to students.

Locks have already been purchased for all students and will be available free of charge at the Orientation and Back to School night. There will be an \$8.00 replacement fee for students who lose or damage these locks.

Included in this letter are several flyers and memos with information about the coming year. Please complete all forms within this packet and return these forms to our office by August 8th 2009. Locker assignments will be made available to students according to the order for which our forms for the fall school year are received. Feel free to call the school with any questions.

The staff and I look forward to a fantastic new school year,

Stefani Merlo
WVMS Principal
