Health and Safety Child Care Guidelines

All children and staff will wash their hands upon arrival and during every transition.

All staff and parents will be required to wear a mask when onsite.

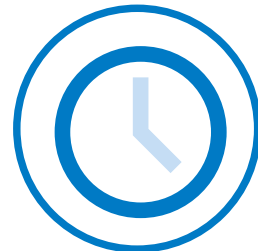

Parents will drop off at the classroom door and will not be permitted to enter the classrooms.

Contactless child sign in app allows parents to sign in and out from their mobile device.

A thorough mid-day cleaning will occur each day and all toys will be sanitized after each use.

Limited hours of 7:30 am to 5:30 pm allow us to maintain stable groups.

A strict sick policy will be enforced among students and staff that will not allow anyone with a fever of 100 degrees or more to return until they are symptom-free for 72 hours.

A professional janitorial company will be using an Electrostatic Disinfectant Sprayer in each classroom nightly to cover all surface areas.
