THANK YOU for your interest in Action Day Elementary School. It is our sincere desire to provide your child with an environment in which he or she will grow and develop to their fullest potential — intellectually, socially, physically, and emotionally.

Our program provides a positive, stable, safe, “family-like” environment. Our goal is to allow children the opportunity to expand their knowledge by offering a STEAM focused program with strong academics and exciting extracurricular activities. We are proud of our caring, creative, and committed staff, whom carefully challenge, respect, encourage, and nurture each child as a unique individual.

We would be happy to answer any questions regarding our program. Please feel free to schedule an appointment to observe any of our classes during the school day.

In addition to our Elementary Program, our organization has excellent programs for infants, toddlers, preschoolers, and middle school-age children.
