CLASSROOM NEWS

Non-Mobile:

It's getting cold outside. Bundle up and stay warm! We love to hear all the holiday music playing in our room. We will enjoy plenty of tummy time with our friends, and have fun exploring new textures while doing art projects with our teachers. It's always fun to put our feet on stamp pads as we make footprint art. We are so excited to get started with the New Year! 2019 here we come!

Crawlers:

This month is all about the *Winter* animals. We will be reading books about *Arctic Animals* and talking about our favorite ones. We will also focus on the *Weather* outside, noting how it is getting colder. Hopefully it's not too cold so we can still go outside for our walks around the school. We just love those walks! We will also have fun exploring new textures in our art projects. We will be able to get messy in the paint as we create works of art.

Walkers:

During Circle Time, we will be talking about the *Weather* and *Arctic Animals*. We will enjoy watching the weather change this month. One of our favorite times of the day is art time. During this time we will be creating many *Winter* themed art projects. Many of these art projects will include penguins, wreaths and so much more. We will have fun singing along to Holiday music.
