NEWS

2 Year Olds:

Our two year olds have been loving learning about our Zoo Phonics friends! This month we are focusing on the letters “Pp”, “Qq”, “Rr”, “Ss” and “Tt”. We are also introducing numbers five through ten. Our students are looking forward to and practicing for their Holiday Performance as well as exploring new art projects with painting, gluing and coloring. Don’t forget to bring in an old pillow case for *Super Hero Week* to make fun capes.

3 Year Olds:

In our three’s program, we will also be making *Super Hero* capes as well as fun *Holiday* and *Winter* art. We will be continuing our work on counting past 20 and getting to know our Zoo Phonics friends a little better. Our three’s have been working on their Holiday Program performance and are excited to show it off!

Pre K:

This month in Pre K we will be focusing on our letters “Pp”, “Ss”, “Tt”, “Uu” and our numbers 16,17,18,19. We are excited for the *Holiday* season and will be celebrating with fun art and science projects. We will also have a class party on December 21st. Our Pre K students have been hard at work preparing their Holiday songs for our Holiday Program!

Junior K:

As our Jr. K friends dive into the *Holiday* season we will be talking about the difference between wants and needs, bodies of water, and ice. We will be practicing counting up to 85 and focusing on numbers 14,15, and 16. We are going to be working on writing letters “Kk”, “Cc”, and “Oo”. Do not miss our Jr. K performance this month! The students have been working hard to prepare an awesome performance to share with everyone.

Kindergarten:

Our Kindergarten program will be introducing 3D shapes and skip counting. Our letter books for the month will be “Ee” and “Ff”. We will be talking about *Hibernation*, *the Science of Light*, as well as *Traditions* and *Winter Holidays*. Our Kindergarten class will have a special breakfast on December 21st and non-academic days for Winter break from 12/23-12/28; 12/31-1/4. As always if you are academic only and need to schedule by arrangement days over break please let the office know.

School Age:

Over *Winter* break, no homework will be given in our school age program. We do have an option to have special worksheets given out as needed. The question of the day will continue and we will be discussing *Winter Holidays*. Our students are looking forward to our *Holiday* party and special secret Santa.
