CLASSROOM NEWS

 **Room A:**

We have a lot of exciting projects planned for the month of December. We start the month with *Winter Wonderland* then move on to *Disney* week. For *Winter Holiday's* week we will be doing different hand and footprint art. Then we will finish the month with Happy New year art; 2019 and firework art. Some of our friends are working on tummy time and most of them can barrel roll around the room, some are even able to sit with assistance! It's exciting to think of the incredible growth and development we will see in this New Year!

art. Then we will finish the month with Happy New year art; 2019 and firework art. Some of our friends are working on tummy time and most of them can barrel roll around the room, some are even able to sit with assistance! It's exciting to think of the incredible growth and development we will see in this New Year!

Room B:

This month we have lots of Holiday art planned like; *Winter Wonderland*, *Winter Holidays*, and *Disney* art. Be on the lookout for a special Holiday gift from your baby. Mila is now walking; we are so excited she hit this milestone just in time for her birthday! Isabelle self feeds now along with Tom and Felix. We can hardly wait to see all of the milestones they will hit in 2019

Room C:

Our themes for this month are; *Winter Wonderland*, *Disney*, *Winter Holidays*, *Classrooms' Choice*, and *Happy New Year*. We will be having fun with snow and snowman art. We will also be coloring our favorite Disney character and lastly for classrooms choice week we will be doing a variety of art projects. We are hearing more words being spoken in the classroom we love hearing the children say "fire truck" or "plane" when they are playing outside and one goes by. Some of the children have learned how to walk nicely to and from the classroom. It's so exciting watching them learn how to climb the stairs and slide properly all on their own.

Reminder~ Please make sure to label your child's containers and snacks.
