CLASSROOM NEWS

 **Room 1:**

For the month of December, we
 are getting ready to learn new
 songs for our Winter Program.
 We will send home lyrics of the
 songs so you can help your child
 practice~ don’t worry the songs
 will be short and simple. Each family has their own holiday traditions. Please feel free to bring pictures and something written to show and describe how your family celebrates the Holidays.

31 Non-Academic 	1 Closed New Year's Day 	2 Non-Academic 	3 Non Academic 	4 Non Academic 	

Room 2:

This month we will be working on shapes. Take a look around, shapes are everywhere. We will go on a shape hunt and go for a walk to see how many shapes we can find. We look forward to *Winter Wonderland* week, where we will create awesome art work like snowflakes and snowmen out of ivory soap. We look forward to the rainy season, as we get to go on our walks with our umbrellas.

Room 3:

As we enter the merry month of December, we will visit Winter Wonderland and explore the World of Disney. We will be talking about how to celebrate our winter holidays. Parents please save the date for our "Annual Holiday Show" on December 6th at 5:00 p.m. Our little friends have been practicing their songs really well and are very excited to perform in the show. Wishing all our dearest families Happy Holidays and a Happy New Year!

Room 4:

December is going to be a fun and busy month. We will be practicing 3 songs for the Winter Show. Please make sure that your child is here for morning circle time so that they are able to practice their songs with the class. Time and dates will be posted soon. This month the children will be making special winter gifts for their parents. The week of December 10th -14th is *Disney* theme, your children may come dressed as their favorite Disney character or in Disney attire. Please remember to label all jackets, sweaters, sheets and blankets.

Room 5:

Its December already! This month we will be learning about all the different holidays that are celebrated this season. For this *Winter* season we will be talking about the different types of *Arctic Animals* and their natural habitat. December 24th-28th and December 31st-Jan 4th will be non-academic weeks and we will have special theme days for those weeks.
