## Program Overview and Parent Acknowledgement

Distance Learning Support Enrichment Program

The goal of our Distance Learning Support program is to provide students with support similar to an in-class environment by helping them stay on track with their curriculum and schedule. The students will be placed in stable, small, age-appropriate groups. We will also provide a weekly check-in report for parents to ensure that their child is completing their school assignments and is informed on the progress/behaviors in their class. This program will be geared towards the needs of the individual student, so the schedules for each classroom at each site will vary to accommodate all the students.

Students are required to bring the following (**daily**):

- Their own devices/tablets to access their distance learning *with the chargers*
- Headphones
- Backpack with school materials
- Morning and afternoon snack
- Lunch
- Bottle of water

Overview of a typical classroom schedule will look like:

8am - 2pm - Academic Day, which includes:

- Live check-ins (zoom/google meet meetings)
- Video lessons
- School work to be completed (homework, reading, assignments)
- Snack, breaks, and lunch
- Outside time when schedules permit
- Quiet centers/activities

2pm - 5pm - Enrichment & Outside time (weather permitting)

Enrichment curriculum will vary by classroom but will include:

- Art Enrichment - 3x a week
- S.T.E.A.M Enrichment - 2x a week
- Physical Activities - daily (weather permitting)

**\*If students do not wish to participate in the enrichment time, quiet activities will be available for them to do during this time.**

---

### Parent Acknowledgement

**Class performance:** Action Day Primary Plus is not liable for a students performance in their classes. **This includes:** *grade, scores, completed assignments, etc.* The sole purpose of the “Distance Learning Support Enrichment” program is to provide a school-like environment and support for students.

## Social Distancing Protocol

At Action Day Primary Plus, we want to ensure the health and safety of all children and staff during these unprecedented times. Please note the following Social-Distancing Protocol that our school follows.

- Low class sizes to promote social distancing within the classroom environment.
- Stable groups of students and staff throughout the school day. Students and teachers in each class will not commingle with children or teachers from any other grade level each day, including outside playtime.
- During drop off, 1 parent per child will be permitted on campus. Parents will wear a mask or face covering, will drop off at the classroom door, at all times. and will not be permitted to enter the classroom.
- All students will wear masks at all times, except while eating and drinking or engaging in physical activity.
- Temperature checks will be taken on all children and staff upon arrival along with a verbal questionnaire regarding symptoms and possible exposure.
- All staff will take a health self-assessment daily when reporting to work.
- Staff will wear masks at all times, except while eating and drinking.
- All children and staff will wash their hands upon arrival and throughout the day.
- A thorough mid-day cleaning will occur each day.
- A strict sick policy will be enforced among students and staff that will not allow anyone with a fever of 100 degrees or more to return until they are symptom-free for 72 hours. A doctor's clearance is required upon return.
- A professional janitorial company will be using an Electrostatic Disinfectant Sprayer in each classroom and common areas nightly to cover all surface areas.
- If a family travels out of the country or a region deemed a "hot zone" for COVID cases, they must self-quarantine for 14 days before they return to school.
- If a child is exhibiting any COVID symptoms, they will not be allowed to return for 72 hours. If the symptoms persist, they will not be able to return without a negative test result or a doctor's note.
