**CLASSROOM NEWS**

**Room 1:** The holiday spirit is in the air! Ms. Araceli will introduce exciting holiday songs during Circle time. We will have fun with playdough, painting and gluing and creating great holiday masterpieces this month!

**Rooms 2 and 4:** Ms. Sandy and Ms. Lourdes will be "Decking the Halls" in both classrooms with many festive activities celebrating *Holidays Around the World*. Each child will be invited to share with the class something special from their holiday traditions. We are excited to learn something new that will enrich our holiday experience. Happy *Holiday Fun* is in store!!

**Room 3:** Ms. Orissa and Ms. Katrina festively include holiday projects to decorate their classroom. Much fun is in store for the children, with the Holiday spirit certainly quite evident in the December Lesson plans!

Holiday warmth and cheer is found throughout University Classrooms, and in the hearts of the staff as well.
